#### **CONVENING OF THE MEETING**

The Secretary proposed that, unless there were any objections, the procedures followed for convening the Meeting (which are summarized below and were set out in detail in the Proxy Statement and Meeting Brochure) would not be read aloud. The Meeting approved and no shareholder objected.

## REQUIREMENTS FOR ATTENDANCE AND VOTING

The Secretary then proposed that, unless there were any objections, the requirements for attendance and voting at the Meeting (which were described in the Shareholder Meeting Brochure and Proxy Statement and are summarized below), would not be read aloud. The Meeting approved and no shareholder objected.

As provided in the Company's articles of association and pursuant to applicable law (including the Luxembourg Law of 10 August 1915 on commercial companies, as amended (the "Luxembourg Companies Law") resolutions at the Meeting must be passed by the simple majority of the votes validly cast, regardless of the number of shares present or represented at the Meeting.

In accordance with the Luxembourg law of 24 May 2011, on the exercise of certain rights of shareholders in general meetings of listed companies (the "Shareholders' Rights Law"), the right to attend, speak and vote at the Meeting was restricted to those shareholders who were holders of shares of the Company on 20 April 2016 at 24:00 (midnight), Central European Time (the "Shareholders' Record Time"). A shareholder is only entitled to attend and/or to vote (personally or by proxy) at the Meeting in respect of those shares which such shareholder duly evidenced to hold at the Shareholders' Record Time; any changes to a shareholder's holding of shares after the Shareholders' Record Time are disregarded for purposes of determining the right of such shareholder to attend and/or to vote (personally or by proxy) at the Meeting.

The requirements to attend and vote at the Meeting were included in the convening notice to the Meeting and reproduced in the Shareholder Meeting Brochure and Proxy Statement. Any holder of shares of the Company on the Shareholders' Record Time who wished to attend and/or vote (personally or by proxy) at the Meeting, was required to complete and return to the Company:

- i. the Intention to Participate Form, if the shareholder wished to attend the Meeting; and/or
- ii. a Proxy Form, if the shareholder wished to vote by proxy at the Meeting.

A shareholder wishing to attend the Meeting was required to complete and return to the Company the Intention to Participate Form. The Intention to Participate Form had to be received by the Company on or before the Shareholder's Record Time; a shareholder who timely submitted the Intention to Participate Form, could elect either to (i) attend the Meeting and vote in person (in which case the shareholder was not required to submit a Proxy Form), or (ii) have a proxy holder attend the Meeting in person and vote by proxy, in which case the shareholder also was required to submit (in addition to the Intention to Participate Form) a Proxy Form as soon as possible and, in any event, had to be received by the Company on or before 27 April 2016 at 24:00 (midnight), Central European Time.

A shareholder who did not wish to attend the Meeting but nonetheless wished to vote by proxy at the Meeting was required to complete and return to the Company a Proxy Form (but needed not submit the

Intention to Participate Form), in which case such Proxy Form had to be received by the Company on or before the Shareholders' Record Time.

Under the Shareholders' Rights Law, any shareholder wishing to attend and/or vote (personally or by proxy) at the Meeting was required to provide reasonably satisfactory evidence to the Company (prior to the Meeting) as to the number of shares of the Company held by such shareholder on the Shareholders' Record Time. Such evidence of shareholding was required to include at least: shareholder's name, shareholder's registered office/address, shareholder status, number of shares held by the shareholder on the Shareholders' Record Time, the stock exchange on which the shareholder's shares trade and signature of the relevant shareholder's bank or stockbroker (the "Evidence"). The certificate that constitutes the Evidence of the shareholding was required to be completed and delivered to the Company as soon as possible and in any event had to be received by the Company on or before 27 April 2016, at 24:00 (midnight), Central European Time.

The documentation was required to be delivered to the Company, duly completed, by the above mentioned dates, to the postal or electronic addresses set forth in the convening notice to the Meeting and reproduced in the Shareholder Meeting Brochure and Proxy Statement.

No admission cards were issued to shareholders; shareholders and their proxy holders attending the Meeting in person were required to identify themselves at the Meeting with a valid official identification document (e.g. identity card, passport). In the event of shares owned by a corporation or any other legal entity, individuals representing such entity who wished to attend the Meeting in person and vote at the Meeting on behalf of such entity, were required to submit –in addition to the Intention to Participate Form and a Proxy Form– evidence of their authority to represent the shareholder at the Meeting by means of a proper document (such as a general or special power-of-attorney) issued by the respective entity. A copy of such power of attorney or other proper document had to be received by the Company on or before 27 April 2016, at 24:00 (midnight), Central European Time in any of the postal or electronic addresses indicated in the convening notice to the Meeting and reproduced in the Shareholder Meeting Brochure and Proxy Statement.

Holders of American Depositary Receipts ("ADRs") as of 20 April 2016 (the "ADR Holders' Record Date") were entitled to instruct Deutsche Bank Trust Company Americas, as Depositary (the "Depositary"), as to the exercise of the voting rights in respect of the Company's shares underlying such holder's ADRs; only those ADR holders of record as of the ADR Holders' Record Date were entitled to provide the Depositary with voting instructions. Voting instructions and voting cards were sent to ADR holders by the Depositary and any eligible ADR holder who wished to give voting instructions in respect of the shares underlying its ADRs was required to follow the instructions and meet the deadlines set forth in such voting instructions and voting cards.

#### **ATTENDANCE LIST**

The Scrutineer informed the Meeting that, in accordance with the attendance list, out of a total of 1,180,536,830 shares of the Company issued and outstanding, 945,792,081 shares (representing 80,12%

of the Company's issued share capital) were present or represented at the Meeting. Copies of (i) the attendance list for the Meeting, (ii) all Intention to Participate Forms received by the Company by the required deadline, (iii) all Proxy Forms received by the Company by the required deadline, (iv) all certificates that constitute the Evidence of the shareholding received by the Company by the required deadline, and (iv) all powers of attorney or other documentation presented at the Meeting evidencing authority to represent a legal entity, are kept with the present minutes.

Accordingly, the Chairman declared the present Meeting validly constituted and able to validly deliberate and resolve on all items of the agenda as set out in the convening notice.

### **BEHAVIOUR RULES**

The Chairman reminded all participants that this Meeting was a private meeting and should not be recorded in any manner. He also indicated that, in accordance with the Shareholders' Rights Law, shareholders (or their proxy holders) would have the right to ask questions at the Meeting on the items of the agenda and that the right to ask questions and the Company's duty to answer any such questions were subject to the procedures adopted by the Company to ensure the proper identification of shareholders (and their proxy holders), the good order of the Meeting, as well as the protection of confidentiality of the Company's business and the safeguarding of the Company's corporate interests. Accordingly, the Chairman stated that all shareholders or other participants attending the Meeting should behave in a proper manner and abide by the following rules:

- If any shareholder or its proxy holder had any questions with respect to any matter on the agenda, they were asked to submit them in writing prior to the items of the agenda being submitted to a vote so that the answers may be prepared as appropriate. For these purposes, questions sheets were provided to the shareholders or their proxy holders at the registration desk.
- Only questions in relation with the Company and the matters on the agenda would be considered. Questions substantially similar to questions already responded or addressed during the Meeting, or which were not related to matters on the agenda or that were otherwise improper, would be disregarded.
- The Company may not be in a position to respond to certain questions for confidentiality reasons or restrictions arising from applicable securities laws, or to safeguard the Company's corporate interests.
- If any shareholder or its proxy holder wished to speak, they should raise their hand so that the Chairman may give the word as appropriate. After being given the word, the relevant person would be asked to stand up and give his/her name (and, if applicable, the name of the shareholder represented).
- Questions relating to any single item of the agenda and speaking time would be limited to five (5) minutes per shareholder or representative.

## **PROCEDURE FOR THE MEETING**

The Chairman then explained the procedure for the Meeting. First, the Secretary would explain the voting procedure and thereafter she would present the information required by article 60 of the Luxembourg Companies Law. Then a summary of the management report would be presented and the independent auditors would present the opinions in their reports on the Company's restated consolidated financial statements as of and for the year ended 31 December 2014, the Company's consolidated financial statements of and for the year ended 31 December 2015 and the Company's annual accounts as at 31 December 2015. The Secretary would then read the agenda for the Meeting and summarize the resolutions proposed to be adopted in connection with each item of the agenda. (The agenda and draft resolutions proposed to be adopted are contained in the Shareholders Meeting Brochure and Proxy Statement handed out to the shareholders and their proxy holders). The Meeting would then consider the questions submitted by shareholders or their proxy holders and, finally, the resolutions would be voted one by one. After counting the votes, the Scrutineer would announce whether the resolutions were approved or not. The details of the vote count would be included in the minutes and would be made available to the Meeting upon request.

The Meeting was informed that the minutes would be prepared by the Secretary and would be signed by the bureau after the Meeting was concluded. It was proposed that, unless there were any objections, the minutes would not be read aloud. No shareholder posed any objection to the proposal.

The Chairman then gave the word to the Secretary, who explained the voting procedure that would be followed.

As there were no questions from shareholders or proxy holders on the voting procedure, the Secretary provided the information required by article 60 of the Luxembourg Companies Law.

## **MANAGEMENT AND INDEPENDENT AUDITORS' REPORTS**

The Chairman presented a summary of the 2014 restated consolidated management report and the 2015 consolidated management report.

Following his presentation, Mr. Marvyn Martins, representative of PricewaterhouseCoopers *Société Coopérative, Cabinet de révision agréé*, summarized the independent auditors' opinions in their reports on the Company's restated consolidated financial statements as of and for the year ended 31 December 2014, the Company's consolidated financial statements as of and for the year ended 31 December 2015, and the Company's annual accounts as at 31 December 2015, and confirmed that, in their view, the 2014 restated consolidated financial statements and the 2015 consolidated financial statements give a true and fair view of the consolidated financial position of the Company and its subsidiaries as of 31 December 2014 and 31 December 2015, respectively, and of its consolidated financial performance and its consolidated cash flows for the years ended in the above referred dates in

accordance with International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board and as adopted by the European Union.

She further noted that the restated consolidated management report and related management certifications on the Company's restated consolidated financial statements as of and for the year ended 31 December 2014, and on the Company's annual accounts as at 31 December 2014, and the independent auditors' reports on such restated consolidated financial statements and annual accounts, are included in the Company's 2014 restated annual report, copies of which had been made available to shareholders and ADR holders as of

934,389,399 shares voted in favour of the proposed resolution

17,000 shares voted against the proposed resolution

11,385,682 shares abstained from voting on this item of the agenda

By majority vote, the Meeting resolved to acknowledge the restated consolidated management report and related management certifications on the Company's consolidated financial statements as of and for the year ended December 31, 2014, and on the Company's annual accounts as at December 31, 2014, and the independent auditors' reports on such restated consolidated financial statements and annual accounts.

**2. Approval of the Company's restated consolidated financial statements as of and for the year ended 31 December 2014.**

The Secretary noted that, following the conclusion of previously disclosed discussions with the Staff of the SEC regarding Staff's comments relating to the carrying value of the Company's investment in Usinas Siderúrgicas de Minas Gerais S.A. – Usiminas ("Usiminas") under IFRS as of 30 September 2014, and subsequent periods, the Company has restated its consolidated financial statements as of and for the year ended 31 December 2014, previously approved by the 2015 Meeting.

The Secretary further noted that the Staff had requested information regarding the Company's value in use calculations and the differences between the carrying amounts and certain other indicators of value, including the purchase price of BRL12 (approximately USD4.8) per share which the Company's affiliate, Ternium S.A. ("Ternium"), paid in October 2014 for the acquisition of 51.4 million additional Usiminas ordinary shares from Caixa de Previdência dos Funcionários do Banco do Brasil – PREVI ("PREVI"), and indicated that the PREVI transaction price provided objective evidence of the value of the Usiminas investment. Moreover, the Secretary indicated that, as a result of these discussions, the Company has re-evaluated and revised the assumptions used to calculate the carrying value of the Usiminas investment at 30 September 2014. In such connection, the Secretary informed that, in calculating the value in use of the Usiminas investment initially reported at 30 September 2014, the Company had combined the assumptions used in two different projected scenarios. For the purposes of the restatement of the financial statements, however, the Company recalculated value in use as of 30 September 2014, based primarily on the assumptions in the most conservative scenario, including, among other revisions, an increase in the discount rate and a decrease in the perpetuity growth rate. As a result, the Company recorded and impairment of US\$161.2 million as of September 30, 2014, resulting in a carrying value for

the Usiminas investment of BRL12 per share. In addition, the Company's investment in Ternium was also adjusted to reflect the change in carrying value of that company's participation in Usiminas. Because of this impairment and adjustment as of 30 September 2014, the Company did not record a further impairment or adjustment as of 31 December 2014.

In connection with the foregoing, the Secretary noted that the restatement impacts the consolidated statement of financial position, the consolidated statement of changes in equity, the consolidated income statement, the consolidated statement of other comprehensive income and the consolidated statement of cash flows for the year ended 31 December 2014. Moreover, the Secretary informed that the restatement impacts only the year ended 31 December 31, 2014, and remarked that that no impact was recorded on the financial statements for the years ended 31 December 2013 and 2012.

The restated Company's consolidated financial statements as of and for the year ended 31 December 2014 (comprising the restated consolidated balance sheets and the related restated consolidated statements of income, of cash flows and of changes in equity and the notes to such restated consolidated financial statements), are included in the Company's 2014 restated annual report, copies of which had been made available to shareholders and ADR holders as of the date of the convening notice of the Meeting, as indicated in the Shareholder Meeting Brochure and Proxy Statement.

#### 6. Allocation of results and approval of dividend payment for the year ended 31 December 2015.

The Secretary advised that, in accordance with applicable Luxembourg law and the Company's articles of association, the Company was required to allocate 5% of its annual net income to a legal reserve, until this reserve equals 10% of the subscribed capital. She then informed the Meeting, which noted and acknowledged, that, as indicated in the Company's annual accounts as at 31 December 2015, the Company's legal reserve already amounted to 10% of its subscribed capital and that, accordingly, the legal requirements in that respect were satisfied.

The Secretary indicated that the Board of Directors had proposed that a dividend, payable in U.S. dollars, in the amount of US\$0.45 per share (or US\$0.90 per ADR), which represented an aggregate sum of approximately US\$531 million, be approved and that the Board of Directors be authorized to determine or amend, in its discretion, the terms and conditions of the dividend payment, including the applicable record date. This dividend would include the interim dividend of US\$0.15 per share (or US\$0.30 per ADR), or US\$ approximately 177 million, paid in November 2015 and that, accordingly, if this dividend proposal was approved, the Company would make a dividend payment on May 25, 2016, in the amount of US\$0.30 per share (or US\$0.60 per ADR), or approximately US\$354 million.

The Secretary reported that, the Company's annual accounts as at 31 December 2015 showed a loss, for the year 2015, of approximately US\$ 2.5 billion. She indicated that considering the Company's

consolidated financial statements as of and for the year ended 31 December 2015, show a loss for the year 2015 of approximately US\$ 74 million. She further indicated that, considering the Company's retained earnings and other distributable reserves, the Company had distributable amounts which exceeded the proposed dividend. The dividend payment in the amount of US\$0.30 per share (or US\$0.60 per ADR) to be distributed on 25 May 2016, would be paid from the Company's retained earnings reserve. The loss of the year ended 31 December 2015, would be absorbed by the Company's retained earnings account.
